DETAILED ACTION

1. The request for reconsideration filed 1/23/02 and supplemental amendment filed on 3/5/02 is acknowledged.
2. The following is an examiner's statement of reasons for allowance: The previous rejections under 35 U.S.C. 101 and 112, first paragraph, set forth in Paper Nos: 12 and 15 are withdrawn in view of applicant's arguments and support shown in the Lafleur et al. post filing data and the specification. In addition, the claims have been amended to include the activity limitations. Further, 112, first paragraph lack of written description rejection and lack of enablement rejection are also withdrawn for reasons stated above and the canceling of claims, which clearly lack support.
3. Claims 41-55, 57-84, 87-93 and 136-177 are allowed.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
